### Involvement with the Adelaide to Outback GP Training Program

AOGP offers Alumni a number of ways in which they can remain involved in it's activities. The two main ways of being involved is as a spokesperson for general practice and involvement in medical education.

**PTO>**

### ***Promotion of general practice***

From time to time, AOGP promotes general practice as a career to medical students, junior doctors and other organisations. In these activities we often ask graduates to talk about their experiences of GP training and the speciality of general practice.

If you are interested in being involved in general practice promotion, please tick the box below.

Yes, I am interested in assisting AOGP to promote general practice

***Interest in medical education***

If you have an interest in medical education, AOGP can offer a number of options. Currently, several of our medical educators and GP supervisors are AOGP Alumni and those who participate in medical education are provided with support to gain skills necessary to take on these roles.

If you are interested in being involved with medical education at any level with AOGP please tick one or more of the following options.

Becoming a GP supervisor/teaching practice

Becoming a medical educator

Presenter at RDL or block releases

Other (please specify) \_\_\_\_\_
